Mental Health Studies - Understanding Behaviour, Burnout and Depression

This course will first look into behavior and cultural differences as well as how society defines behavioral norms. You will study the defense mechanisms used by people in everyday interactions and learn how rationalization can reduce stress. The course will discuss the different types of personality disorders such as schizoid personality, explosive personality, and obsessive-compulsive personality to name a few.

Modules Studied

Module 1: Module 1: Mental Health Studies - Behavior

Module 2: Module 2: Mental Health Studies - Burnout and Depression

Module 3: Course assessment
